Thank you

Wandsworth Council is grateful to the event partners, in particular our hosts at St. George’s Primary School and the local developers who have sponsored the festival, as well as to all the performance companies and practitioners taking part.
Welcome to Happy Streets

Join in the fun at Happy Streets - a free, family-friendly festival in Nine Elms celebrating the bright new Thessaly Road bridge design.

Yinka Ilori’s striking new artwork on the bridge – commissioned by Wandsworth Council in partnership with the London Festival of Architecture – explores the theme of happiness through a wonderful use of colour.

Inspired by this, the festival is packed with opportunities to try out anything from hula hooping and pizza-making to beatboxing and gardening. Follow a giant puppet around the neighbourhood, take to the streets with a marching band, and be amazed by the skills of circus artists. There are also quieter moments to think about what happiness means to you and to learn more about the trees and plants on our doorstep that bring a welcome bit of nature into our busy, urban lives.

So smash a piñata, dance a Happy Dance, watch some virtual reality theatre, scramble through a cardboard city, or simply enjoy some tea and cake while you soak up the atmosphere!

We’d love to know what you thought of the event: please fill out one of our surveys on site or e-mail your feedback to info@nineelmsonthesouthbank.com.

Creating Happy Street

Happy Street is the first exciting stage in a whole programme of improvements to the environment around Thessaly Road.

As part of London Festival of Architecture 2018, Wandsworth Council asked artists and designers to come up with a design to improve the railway bridge and underpass on Thessaly Road, SW8.

Following a public consultation and the decision of an expert panel, London-based designer Yinka Ilori was chosen to develop his colourful design called Happy Street.

The design covers the entrances, walls and underside of the bridge, using a rainbow of colours selected by Ilori to reference the bright colours seen during sunsets over the Thames nearby.

To create the artwork, the bridge walls and surface areas were painted and enamel powder-coated panels installed on top of the brick walls.

Happy Street is the first improvement to the Thessaly Road area as part of a package of works being carried out by Wandsworth Council.

Other plans include enhancing the appearance of Thessaly Road, making it safer for pedestrians and cyclists, and making sure the area is ready for the new Northern Line Tube stations opening nearby in 2021.

The Council has recently consulted with residents and businesses on the introduction of a Controlled Parking Zone and is consulting with local residents over better sports and wellbeing facilities as well as the proposed road improvements.

Find out more about all these improvement works during the Happy Streets festival – you’ll find the Wandsworth Council stands in the canopied area next to the Tuck Shop in St George’s School playground (long play area). Or visit www.wandsworth.gov.uk to take part in the latest consultations.
Refreshments
You are very welcome to bring your own food and drink to enjoy during the afternoon.
Please feel free to use the picnic areas provided at the ROSE Community Clubroom Garden and St. George’s School Main Playground.
Please avoid bringing alcoholic drinks or glass onto any of the festival sites.
Affordable snacks and soft drinks will be available to purchase from the Tuck Shops in St. George’s School Playground and the ROSE Community Clubroom.
You can also take part in pizza-making workshops in the ROSE Community Clubroom garden, and of course you can eat what you make!
The Yvonne Carr Centre will have a selection of delicious food and non-alcoholic beverages for sale.

Access
All festival venues are wheelchair accessible.
The outdoor sites are all level, tarmac terrain; the indoor venues are step-free, with linoleum flooring.
Toilets are available in the ROSE Community Clubroom, St. George’s School, and at the Yvonne Carr Centre.
Accessible toilets are available at the ROSE and St. George’s School.
Please discuss any access requirements with a member of Upswing before registering to take part in the Circus Flavours workshops.
A BSL interpreter will be available all day, free of charge. If you would like to register your interest in using this service in advance, you can let us know by emailing info@nineelmsonthesouthbank.com or ask at the Info Point in St. George’s School Main Playground on the day.
Breast-feeding is welcome at any of the festival venues.
A Quiet Room will be available in St. George’s School if you need to escape the hustle and bustle; please ask one of our Happy Streets team if you need to access this space.
**Weather**

The festival will go ahead come rain or come shine!

Please wear comfortable clothing and come dressed for the weather on the day. We will be able to move some of the activities inside in the event of heavy rain; any alterations to the programme will be available at the Info Point in St. George’s School Main Playground and announced by the event compères.

If it is very hot, please carry water and wear sun screen; sun screen will be available at the Info Point and you can ask Happy Streets team members to fill up your water bottle at the Water Points in the ROSE Community Clubroom and St. George’s School Main Playground.
